MEMORANDUM FOR: Director of Communications

FROM : Assistant Director (Current Intelligence)

SUBJECT : COMINT Ciphony Circuit to NSA

REFERENCES : a. Memo to DIRNSA from DD/CO dated
25 Jun 58, Subject: COMINT Phone
System in New CIA Building
b. Letter to Mr. Knight, C&P Telephone Co.
from [REDACTED]

25X1A9a

The Office of Communications is requested to arrange for the installation of multichannel ciphony circuits between the National Security Agency and the COMINT phone system in the new CIA building. These arrangements should include purchase or rental of appropriate microwave or coaxial cable circuits in addition to the NSA ciphony devices. Mr. Harry [REDACTED] of this Office is the OCI contact point for this project.
